STAT

SUBJECT: Panel Meeting Agenda for September 30, 1988

There are four staff papers for this meeting. Two are classified -- Compensation and Benefits and Creating a More Diverse Workforce (EEO) -- and two are unclassified -- Separation and Outplacement and Organizational Alternatives. As the two unclassified papers are brief I will hold them here for your review along with the classified papers during the 8:30 to 9:30 period we've set aside on the enclosed agenda.

For the Creating a More Diverse Workforce subject we will also have agency specific papers available for your review.

If any of you want to read these papers on Thursday before the meeting we will be happy to accommodate you here in the Rosslyn office.

Julius Becton and Bobby Inman will not be able to attend. Becton's Assistant Chief of Staff, Robert Volland, who has the appropriate security clearances will attend as an observer.
